SUMMARY

Proactive, independent UX and Graphic Designer with front-end development skills (HTML, CSS, JavaScript) and hands-on experience in Webflow, Adobe Creative Suite, Figma and Canva. A fast learner with experience translating research and ideas into clear, engaging designs and written content.

EDUCATION

Bachelor of Design

Jul 2023 - Jun 2026

Major: User Experience & Graphic Design
The University of Melbourne

SKILLS

Human-Centered Design, Design Thinking, UX Research & User Testing, Wireframing, Prototyping, Accessibility (WCAG 2.1)
Tools: Webflow, Figma, Adobe Creative Suite (Illustrator, InDesign, Photoshop) Canva, HTML, CSS, JavaScript
Languages: Spanish (Native), Italian (Intermediate – 3 months living and working in Italy), French (Intermediate)

SELECTED PROJECTS

La Maison Patisserie — E-commerce UX/UI Redesign

2025

- Conducted a UX and accessibility audit identifying key usability barriers across the customer journey
- Designed accessible, responsive user flows and high-fidelity UI in Figma to improve functionality and clarity
- Built and tested frontend prototypes in HTML, CSS and JavaScript ensuring WCAG 2.1 compliance

Scripted — Language Learning Mobile App Design

2025

- Conducted user research and usability testing, translating findings into personas, journey maps, and design improvements based on human-centered design principles
- Designed and prototyped interactive flows in Figma, iterating based on usability feedback to improve task clarity

Fish Tales — Brand Identity & Packaging System

2025

- Developed research informed brand strategy and packaging system to position ethical seafood for everyday consumers
- Crafted visual identity elements that reflected core brand values of transparency and quality
- Balanced customer insights, production constraints, and aesthetic decisions across all design deliverables

RELEVANT EXPERIENCE

Merchandise Manager

Nov 2022 - Nov 2023

RMIT University Snow Sports Club

- Designed four branded merchandise collections within strict budgets (\$20–25 per participant), balancing supplier constraints and stakeholder feedback for 40–50 participants
- Managed end-to-end production workflow including asset creation in Adobe Illustrator and order tracking in Excel
- Communicated with stakeholders across the design and delivery process to ensure timely on-brief outcomes

Duty Manager

Nov 2021 - Present

Village Cinemas

- Awarded Employee of the Year for consistent performance, team leadership, and contribution to operational efficiency
- Pitched, designed and launched a seasonal staff newsletter, combining visual design with engaging written content to strengthen internal communication
- Oversee team of 100+ across 16 screens as the senior team member on shift, managing rostering, cash reconciliation, and equipment troubleshooting while meeting business performance targets
- Liaise with senior leadership and external contractors, and lead onboarding and training to maintain consistent team performance
